# ART MEETS KI

Hand-drawn objects in computer generated NFTs

22 Roach Gang combines art with AI. Besides the automatic composition of various features such as body, wings and shoes, some roaches have hand-painted drawings in their hands. Art has always been different. And so are the NFTs of 22 Roach Gang.

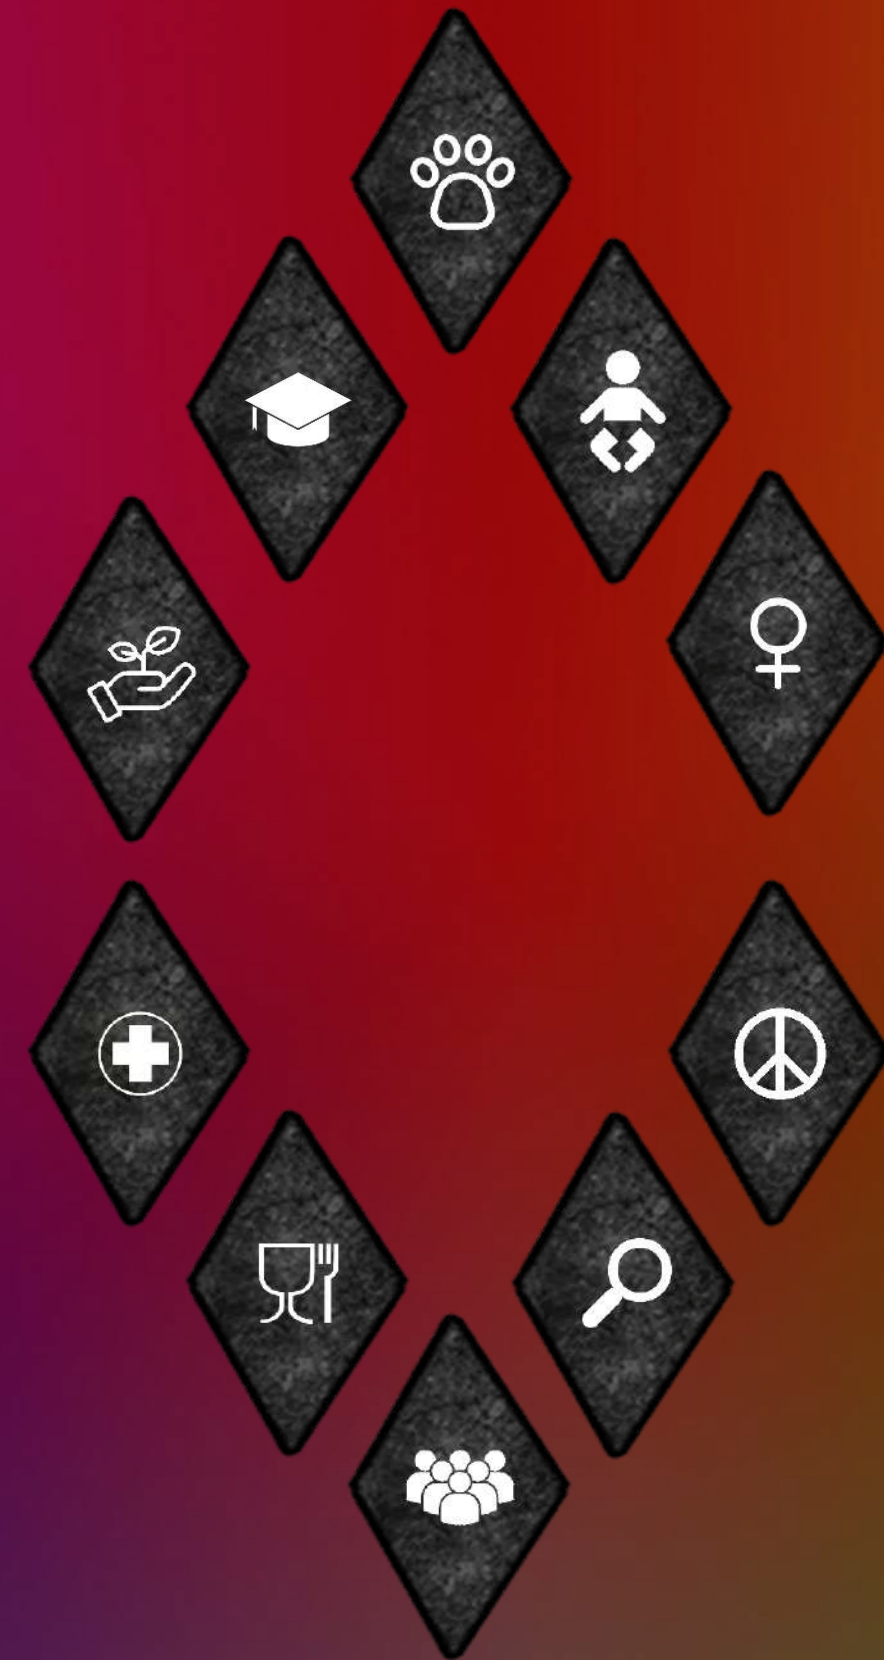

# CRIME MEETS CHARITY

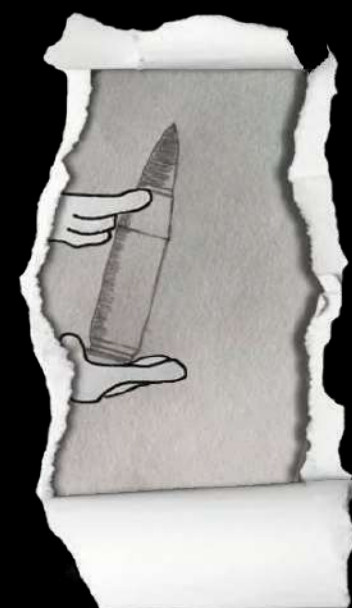

The proceeds of special NFTs are donated. This applies to sales and resales.

All proceeds from all NFTs with these patches go directly to charity organizations. The community decides which organizations are supported. The amount is calculated from the sales revenue and the regular creator fees. These NFTs can not be mined but only auctioned via OpenSea for the good cause.

# HIERARCHY

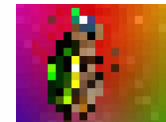

*President*

You are the boss of the gang and get exclusive content. Also, you earn cryptos by holding the NFTs - 160 pcs.

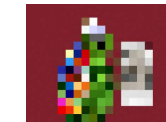

*Vice President*

you earn cryptos by holding the NFT. Less than the president. Do you have what it takes to be the next boss?

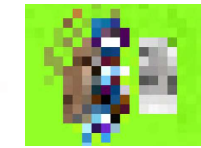

*Secretary*

If you have the Secretary you may make a shout out to your own NFTs via a medium of your choice.

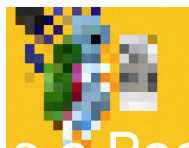

*Sgt at Arms*

As Seargant at Arms, you decide about war or peace with other gangs. If you are defeated, you'll give up your gang cash.

*Treasurer*

You will get back the mint stake and another NFT as a gift. The NFT is given to everyone who once owned it.

*Road Captain*

are the boss of the road. You are the face of your gang. Your NFT becomes the logo of your chapter

*Member*

Access to the member area like everyone above you in the hierarchy.

*Prospects*

As you work through the gang's requests (games and tasks), you will eventually become a member.

*Hangarounds*

As you work through the Prospects's requests (games and tasks), you will eventually become a Prospect.

*Snitch*

Through clever moves and treachery, you can grab the presidents' rewards. But don't get caught

# THE GAME

The exciting part comes with the game. Become part of a criminal organization (only in the metaverse, of course) and work your way up to the president of your own chapter. However, you can also buy your way up. Show everyone that it's not good to eat with you.

From a lowly cockroach, you can make it to president on your own. You just have to work hard enough for it! Decide for yourself whether you want to earn money for the chapter or enrich yourself. But never forget, "No Mercy!"
